Mr. John Russo
Chairman
Japan Karate Association of Australia (JKA)
Pty Ltd

We are very grateful for the invitation to take part in the JKA World Championship. We found the Championship well organized, in addition to this, we found it great to visit a lot of places of interest in Australia. We look forward to take part in the Championships like this in the future. If you organize the JKA competitions in the future, where athletes from foreign countries would be invited, we would appreciate partaking in them.

We would like to invite you to visit our town Siauliai, which is in Lithuania on 31st, March 2007, as the JKA European Championship will be held there. We, as organizers will take of everything.

Yours faithfully

President of Lithuanian JKA Karate Association

Romualdas Montvidas
